# 9mm Label 10-Pack

## Product Description

Label your panels, switches, outlets and more. Instantly stop typing each label one by one and take advantage of our Auto-Generated Device and Panel labels.

9mm Labels are great for labeling receptacle and switch outlets, and other pieces of electrical equipment. 9mm Labels increase clarity over the 6mm Label size.

1 Label cartridge lasts roughly 100 outlets.

Black text on White tape. Adhesive backing.
